SELECTED WORK
UP TO 2025

portfolio/yusufyunus/2025

2025

Multidisciplinary Graphic Designer with **4+ years** of experience specializing in branding, visual identity, and digital design. Skilled in creating engaging visuals that **connect brands** with their audiences, from startups to established companies. Passionate about thoughtful, impactful design and bringing fresh, **creative solutions** to every project.

portfolio/yusufyunus/2025

Professional Experience

I craft clear, high-impact visuals that perform. From thumbnails and brand assets to simple reel edits, I blend design and data to drive results—including scaling campaigns to 120K+ subscribers

Home Investor Asset Owner Academy Team FAQ About Contact

Sart Investing

Green, sustainable, & future-proof

Own a Piece of the Sun. Earn Sustainable Returns.

Fractional solar ownership. Profits from green power.

Get Strarted | Learn More

100% *Shariah - Compliant* and Blockchain-Verified

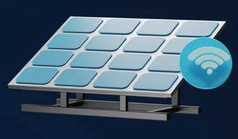

متوافق مع أحكام الشريعة الإسلامية
Sharia Compliant

Explore the *Future* of *Investing*

Start Small: As low as *1000 RM.*

How It Works

01

Buy a Token

Fractional ownership of a solar panel.

02

Generate Energy

Solar panels produce electricity, sold to grid/government.

03

Earn Profits

Monthly/quarterly payouts distributed automatically.

Why Invest in Solar?

500+ investors already onboard

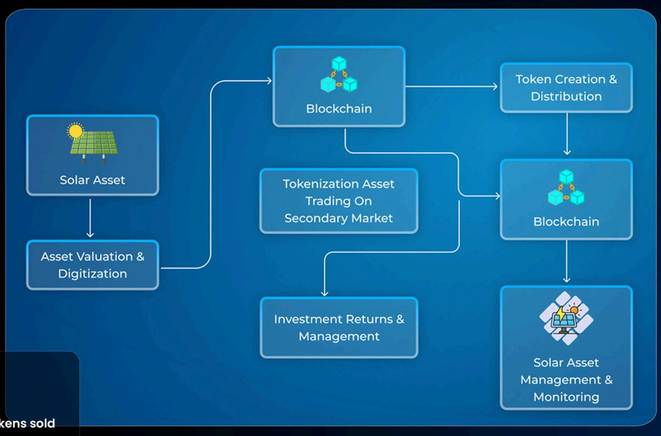

> Green, sustainable, and future-proof.
> Passive income from government-backed energy sales.
> Transparent, Shariah-compliant & blockchain-secured ownership.

Average annual ROI: 6-10%

Solar Asset **Tokenization**

Learn where your money goes and grows in under 60 seconds

Get Strarted

500+ tokens sold = 100 homes powered
